Description

In the South of Minas Gerais, the Federal Agrotechnical Schools of Inconfidentes (founded in 1918), Machado (founded in 1957) and Muzambinho (founded in 1952), traditionally recognized for quality in the offer of High School and technical courses, were unified in 2009. Thus, the Federal Institute of Education, Science and Technology of the South of Minas Gerais (IFSULDEMINAS), which currently has campuses in Passos, Poços de Caldas, Pouso Alegre (both three created in 2011) and advanced campuses in Carmo de Minas and Três Corações (both created in 2014), as well as advanced cores and network poles in several cities of the region. The operations and work of IFSULDEMINAS covers 178 municipalities, with 3.5 million inhabitants. Between 2009 and 2019, the total number of students increased from 4 thousand to almost 26 thousand students. The educational provision has added undergraduate, graduate, research and extension programs to the regular supply of technical courses. IFSULDEMINAS has 69 technical courses, 42 undergraduate courses, 17 specializations Lato Sensu and 2 specializations Stricto Sensu are offered here. The institution also offers 67 Continuing Initial Training (FIC) courses and 2 technical specialization courses. Its administrative staff members surpasses the quantity of 1,600 servers (including teachers and administrative technicians), outsourced employees and interns. Source: IFSULDEMINAS.
