IFSULDEMINAS - Campus Machado delivers electronic junk for INATEL project. Campus Machado https://www.mch.ifsuldeminas.edu.br/noticias/146-noticias-2017/3944-sustentabilidade

D of the Machado campus collect e-waste from E. E. Paulina Rigotti de

Após campanhas feitas na Escola Estadual Paulina Rigotti, pelos alunos bolsistas do Programa Institucional de Bolsa de Iniciação à Docência (PIBID) e servidores do campus Machado, foram recolhidos cerca de 180 quilos de material.

Por meio de uma parceria firmada entre o INATEL e o IFSULDEMINAS-campus Machado, todo o lixo eletrônico proveniente do próprio campus ou entregue pela comunidade acadêmica, serão destinados ao projeto: "LIXO ELETRÔNICO - NÃO DESCARTE ESSA IDEIA". Criado em 2008, pelo INATEL, nasceu da necessidade de fazer o descarte correto de materiais eletrônicos inutilizados e de reaproveitar os que ainda estiverem em bom estado. O descarte correto traz impactos positivos para a sociedade e para o meio ambiente, impedindo a poluição do solo e dos lençõis freáticos, evitando males aos animais e aos seres humanos. Salba o que pode ser recolhido

Equipamentos de informática, pilhas, baterias, celulares, eletroeletrônicos, eletrodomésticos, televisores e brinquedos eletrônicos. Só não são coletadas lâmpadas fluorescentes. O campus Machado possui um ecoponto específico, localizado atrás da Cooperativa Escola - Coetagri.

## Description:

The selective collection in IFSULDEMINAS takes place in each campus that has a local selective collection commission that aims to help the academic community to fulfill its social and environmental responsibility, in accordance with the norms indicated in Federal Decree No. 5.940 / 2006. The committee articulates with the associations and cooperatives of recyclable materials collectors, develops technical cooperation terms, implements collectors and mobilizes the academic community to carry out proper waste disposal. Through this action the Institution collaborates with the generation of income for the cooperatives, in total, there are six associations that receive the recyclable materials generated by IFSULDEMINAS: Jacutinga Recycling Production Cooperative; Machadense Association for the Recycling of Solid Waste ; Organization Center for Recyclers of the Southwest Mining; Cooperative of recyclable materials workers of Poços de Caldas - Recycling Action ; Association of Collectors of Recyclable Material of Pouso Alegre ; Association of Collectors of Recyclable Material of Pouso Alegre ; Association of Collectors of Recyclable Material of Three Hearts (ASCAMT).
