Figura 3 Ventilation – Eolic – Restaurant – Campus Machado

Figura 4 Water Management - Rainwater harvesting system and external water tap for reuse

Figura 5 Fire Extinguishing - Campus Três Corações

Description:

IFSULDEMINAS is committed to an expansion of intelligent buildings, from lighting, water management, ventilation, control and security and emergency. In its Annual Sustainability Logistics report, it is recommended that purchase materials for the survey of a building should require proof of the origin of the factories when purchasing goods and contracting works and services (Page 19).
